

Need a Ride to a Medical Appointment?

You may be eligible for medical transportation services.

Transportation help is available for people on Medicaid when there's no other way to get to medical appointments.

People who are age 60 or older and not on Medicaid can get transportation help when there's no other way to get to:

- Medical Appointments
- Adult Day Care
- Meal Sites
- Dialysis or Cancer Treatment centers
- The Insight Program

To request a ride, call **LogistiCare** at **855-330-9131**.

Monday – Friday 9:00am – 5:00pm

You can also make reservations online by going to

<https://member.logisticare.com>

Reservations must be made 2 business days in advance not counting the day of the appointment.

LogistiCare is the nation's leading provider of specialized transportation network management services for hospitals, government agencies, and managed care organizations; including self-funded insurers, transit authorities, and social service agencies.
